Aloha everyone!

Another year has passed and our convention is coming up in a few weeks. I know we cannot top last year's earthquake, but please know that we have gathered some great guest speakers. Thanks to the USPTA for sending us Paula Scheb, and thanks to Ron Romano with the USTA and our USPTA Regional VP for bringing us Tracy Austin and Dick Gould.

Because we are scattered on several islands and cannot just jump in our cars and take a road trip for continued education, it is important to plan ahead for these events and also to know that attending your divisional convention will be worth your time and energy.

It is my desire to motivate everyone to attend because I know what these events have added to my own career. Networking is advantageous in so many ways. It gets you away from the day-to-day so you can get some ideas and thoughts outside your own world.

You have everything to gain by attending. Your USPTA Certification becomes more valuable as you continually update your portfolio with seminars and workshops and conventions.

Thanks for all your support this year and I look forward to seeing you at the convention.
